

Midway

Neighborhood Guide

Discover the neighborhood around our Midway

Welcome to the Dogpatch, one of San Francisco's most dynamic waterfront neighborhoods. Once an industrial hub, this blossoming area has transformed into a vibrant community where creativity, culture, and bay views come together. Our guide highlights hotels, parks, galleries, restaurants, bars, and venues that make Dogpatch special. Whether you are looking for a waterfront brunch spot, a place to listen to music, or simply enjoy a sunny day. Everything listed here is just a short walk or ride from the Midway.

Innovation Center

Dogpatch is rapidly emerging as a hub for innovation and entrepreneurship. Y Combinator has established a dedicated Dogpatch campus, signaling the neighborhood's transformation into a tech-forward destination. Stephen Curry's business headquarters, Thirty Ink, is relocating to the area and the venture capital powerhouse General Catalyst has secured major office space in the historic Pier 70 building. With OpenAI's headquarters just next door in Mission Bay, the neighborhood is a magnet for innovation.
